

Instructions for Agents

You may assign appraisals on first-party losses:

In-state Losses: If the vehicle can be safely driven, assign the appraisal to a convenient Drive-in location included on this list. When using "quick eClaims" to report a new loss, select the "Drive-in appraisal" option located under the "Appraisal Assignment" section. If the vehicle cannot be safely driven, assign the appraisal to a firm listed below or select the "Automatically assigned by eClaims" option under the "Appraisal Assignment" section.

Out-of-state Losses: When using "quick eClaims" to report a new loss, select the "Automatically assigned by eClaims" option under the "Appraisal Assignment" section and include all of the requested information for the vehicle location.

Re-inspection Stations (RS). All Drive-in locations are re-inspection stations.

Motorcycle Appraisals (MC). Call a VIP Center or an Independent Appraiser's main office for a motorcycle appraisal appointment. Motorcycle appraisals are not available at all Drive-in locations.

Stated Value Appraisals (SV). Call an Independent Appraiser's main office to schedule a stated value appraisal.
