# Committed to Improving Driver Safety

**At least 77% of traffic accidents are the result of driver error.**

Nationwide, well over half of new drivers crash in their first two years behind the wheel.

Safety Insurance has partnered with The In Control Family Foundation to improve driver safety in Massachusetts.

## **The In Control Family Foundation**

In Control offers a half-day, hands-on driver skills development program that teaches drivers to avoid the most common and serious collisions. In Control's Crash Prevention Training Course has been shown to reduce crashes by new drivers by 70%.

In Control is a not-for-profit & 501(c)(3) organization. Please visit [DriveInControl.org/SafetyInsurance](http://DriveInControl.org/SafetyInsurance) for more information.

Contact your local Independent Agent to learn more about all of Safety's offerings.
