

Registered Auto Body Repair Shops for Berkshire, Franklin, and Hampshire Counties

This list contains the name of every auto body shop in your county that is registered according to Massachusetts law. We cannot pay for any repair work done by an illegal unregistered shop.

We have denoted with an * Safety Insurance Referral Shops on the list who have agreed with us to perform the repair work listed on our appraisal for the amount we pay you plus that part of the damage for which you are responsible (your deductible). We will guarantee the quality of repairs done by a Referral Shop although you may go to any repair shop on this list. We will negotiate with a registered repair shop, but we cannot promise to pay the difference between our check plus your deductible and the amount the shop charges to repair your auto. We do not guarantee the quality of repairs at other shops but a registered shop has posted a bond for the protection of its judgment creditors and may provide you with its own warranty.

We will give you a list of registered repair shops in other counties at your request.
