- The initial policy period for the Policy commences as of the Effective Date listed on your Coverage Selections Page and, unless cancelled or otherwise terminated earlier, as permitted by the provisions of your Policy and Massachusetts law, will continue in effect for twelve (12) months from the Effective Date (the "Initial Policy Period").
- Following expiration of the Initial Policy Period, your Policy may renew¹ for additional, successive terms of twelve (12) months ("Renewal Policy Period") unless earlier canceled or otherwise terminated as permitted by the provisions of your Policy and Massachusetts law. ("Renewal Effective Date").²
- You have facilitated automatic payments for the Renewal Policy Period through AutoPay.
- You can **unenroll** from AutoPay by completing a written request to your insurance agent or by logging into "My Account" and following the link to "make Changes" to AutoPay on the billing screen **up to four (4) days before a pending withdrawal.** If there are **less than four (4) days before a pending withdrawal, the withdrawal will occur as scheduled,** and you can unenroll from AutoPay after the withdrawal.
- Billing related fees may also apply to your Renewal Policy Period(s). Please review a copy of "Fees for Personal Lines Insurance." For mailed copies of this Notice, a copy is attached. - Safety provides the Policy for the Initial Policy Period and any permitted Renewal Policy Period(s) in return for premium and compliance with all applicable provisions of the Policy and Massachusetts law. If you unenroll from AutoPay, you are required to pay the premium due for your Policy on its due date using other payment methods to avoid cancellation of the Policy. Your Policy may be subject to applicable billing related fees.

¹ Safety can decline to renew your Policy subject to the terms and conditions of your insurance policy and Massachusetts law.

² By law, every registered auto in Massachusetts must maintain four coverages called Compulsory (or Mandatory) Coverages in, at least, minimum amounts required by law. There is no law requiring the purchase of insurance on your home, but it is strongly encouraged that you consider this coverage to protect your investment in your home. If you need a mortgage to help pay for your home, your lender or bank may require you to buy and maintain insurance on your home. (Information posted by the Massachusetts Division of Insurance).
