

With your safety in mind, we've partnered with TrueMotion to create

Drive with Safety

Drive with Safety is a telematics technology-based application that provides you with the ability to monitor your driving habits, and the opportunity to discuss safe behaviors with the entire family.

The app detects what's going on behind the wheel and uses that information to give everyone peace of mind.

Safety Insurance®
AUTO • HOME • BUSINESS

We'll help you manage life's storms®

Installation is Easy!

1. Log on to MyAccount on **SafetyInsurance.com** and click enroll or contact your Independent Agent to sign up.
2. Receive a text message with invitation to download.
3. Download the app.
4. Answer a few profile questions.
5. Start driving to register a score!

Drive with Safety Benefits

- **Smart Phone-based** – No special requirements for vehicle.
